B. Request to Approve – Change Order No. 4 re: South Harris Road Water Main Replacement - Larry R. Thomas

Mr. Thomas directed the Board’s attention to Change Order No. 4 for the South Harris Road Water Main Replacement Project in the amount of $33,941. He indicated that, again, staff reviewed the change order and is in agreement with the request. Mr. Thomas also explained that the plans originally called for the existing concrete pavement to be milled and overlaid with a new bituminous surface. He pointed out that following the start of construction operations, the Washtenaw County Road Commission (WCRC) indicated that they did not approve of this type of restoration and would require the existing concrete pavement to be completely removed and replaced with bituminous pavement in accordance with the cross-section shown for the trench restoration.

Mr. Thomas explained that, in an effort to save costs and to preserve as much of the existing concrete pavement as possible, it was proposed to replace a 12’ wide section centered over the new water main. He further advised that, in order to maintain traffic flow during the concrete placement and setting period it was necessary to divide the restoration work into three stages, which resulted in increased effort on the part of the contractor to complete the work. Mr. Thomas stated that sufficient funds exist from the bond sale to cover the change order.

Mr. Thomas recommended approval of Change Order No. 4 re: South Harris Road Water Main Replacement in the amount of $33,941 to be funded from the bond sale.

Motion by Roe to accept Mr. Thomas’s recommendation for approval of Change Order No. 4 re: South Harris Road Water Main Replacement in the amount of $33,941 to be funded from the bond sale. Support by Doe. In favor: All. Opposed: None. (Motion carried)

C. Request to Approve – General Service Credit Purchase Policy - Larry R.
Mr. Thomas directed the Board’s attention to a policy regarding the purchase of generic service credit for members of Teamsters Local 214 bargaining unit in the Municipal Employees’ Retirement System. He indicated that the policy allows for a maximum of three years’ service credit to be purchased. Mr. Thomas also explained that the employee must be a member of the Teamster bargaining unit for at least three years and the financial contribution required to purchase the service credit is the responsibility of the employee. He pointed out that the Personnel Committee has reviewed the policy and is in agreement with it.

Mr. Thomas explained that, as a response to a request of a member of the Teamster bargaining unit, he made a recommendation to the YCUA Personnel Committee to allow for this purchase.

Mr. Thomas recommended approval of the General Service Credit Purchase Policy.

E. Request to Approve – YCUA Resolution No. 03-36 re: Defining a Day of
Work or Hours Per Month for MERS Retirement Purposes - Larry R. Thomas

Mr. Thomas directed the Board’s attention to a resolution defining a day of work or hours per month for MERS retirement purposes. He indicated that, at the present time, an employee must work ten 8-hour days in order to qualify for a month of service credit in YCUA’s retirement program. Mr. Thomas also explained that this resolution allows for the eighty hours per month to be accumulated in other than 8-hour days.

He pointed out that, in the past, the Authority has had no part-time employees working less than eight hours per day. Mr. Thomas explained that, at the present time, the Authority has one employee at part-time status, but in excess of eighty hours per month. He further advised that the cost of this benefit is equal to the contribution to the MERS retirement system. Mr. Thomas stated that, at the present time, for this individual, it amounts to $134.96 per week for a 30-hour week.

Mr. Thomas recommended approval of Resolution No. 03-36 re: Defining a Day of Work or Hours Per Month for MERS Retirement Purposes.

Motion by Roe to accept Mr. Thomas’s recommendation for approval of Resolution No. 03-36 re: Defining a Day of Work or Hours Per Month for MERS Retirement Purposes. Support by Doe. In favor: All. Opposed: None. (Motion carried)

He advised that YCUA has asked them for a formal proposal to assist in increasing efficiency, in particular with utility building and financial software. He indicated that he anticipated that proposal to be available for Board consideration at the January 2004 Board meeting.

Mr. Thomas wished the Board members a Merry Christmas on behalf of the Authority and all of its employees.

Informational only; no motion from the Board required.

4. **OLD BUSINESS:**

There was no other business for the month.

5. **OTHER BUSINESS:**

Peter J. Murdock requested more information as to the nature of the letter from YCUA labor attorney John Hancock that was recently delivered to him. Brenda L. Stumbo responded that she had no idea. Mr. Thomas responded that the wife of an employee who was recently terminated recently began contacting community members and the YCUA Board in an attempt to get the termination reversed. He indicated that those actions prompted some discussion as to what should be the response from the Board members. Mr. Thomas stated that John Hancock’s letter served as his advice for that response.
